

Homage for our heroes

Hommage à nos héros

Roses on gravestones

Messages of gratitude

Laying upon their bones

Mémoires partagées

liées par notre grande histoire

Nos âmes bouleversées

Deep respect for men,

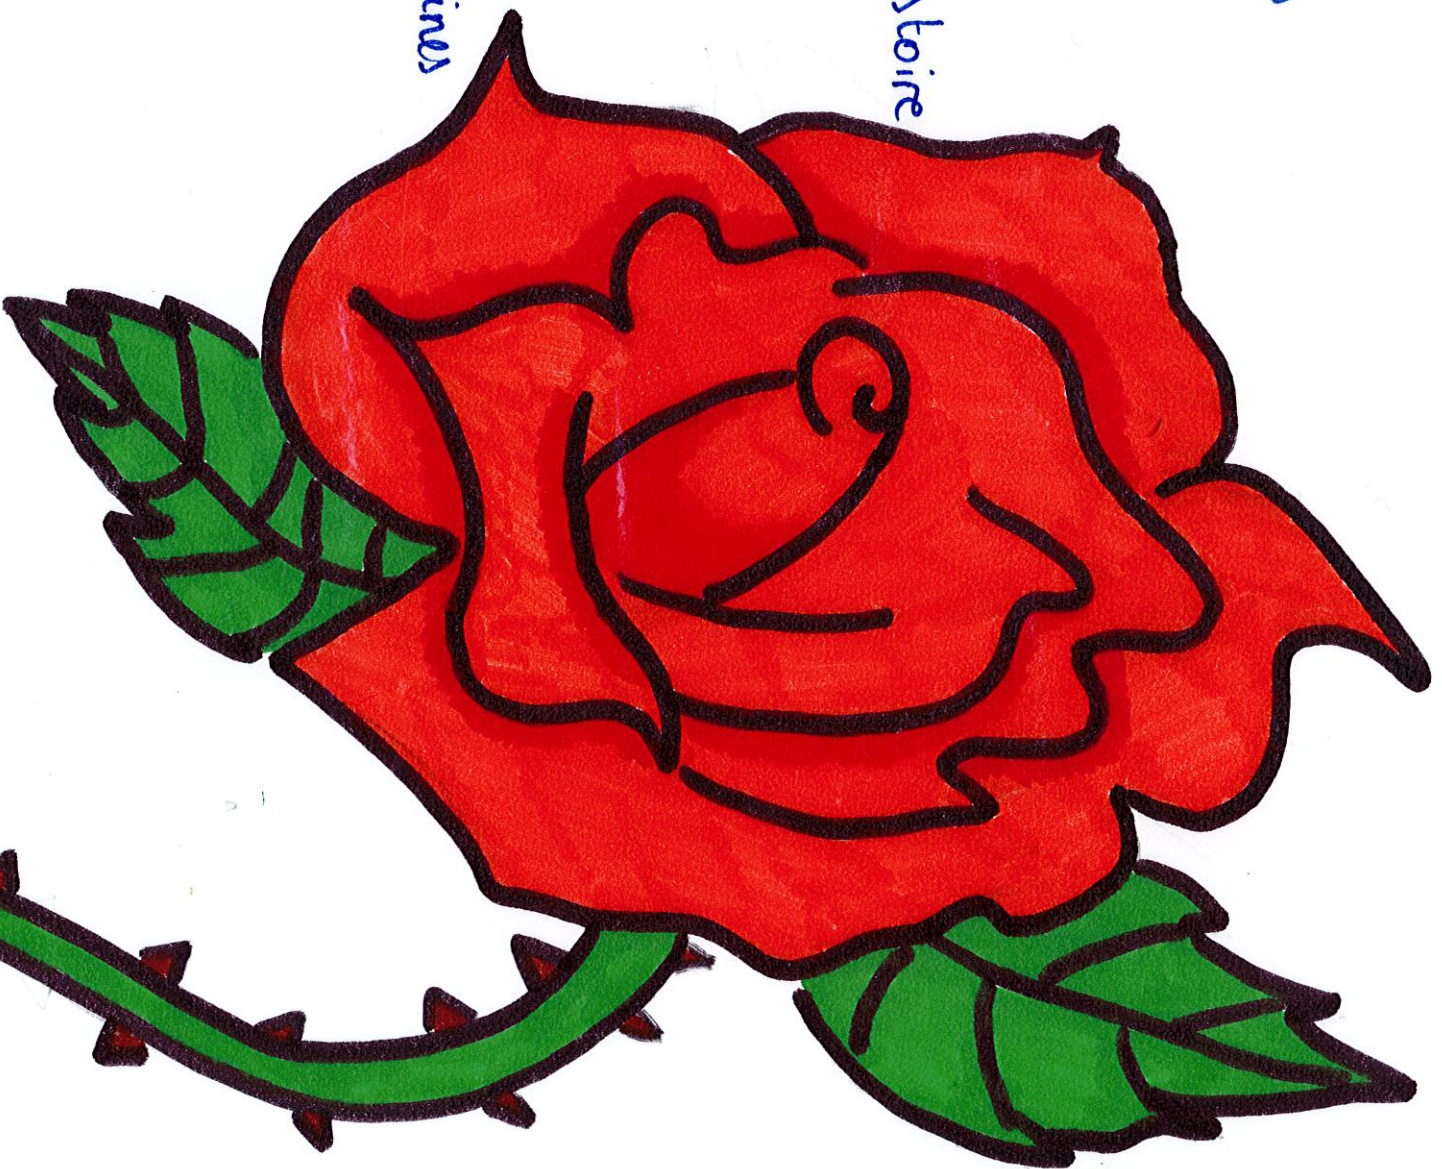

And women behind the lines

Fought until the end

Nous vivons en paix

Remercions votre courage

Avec cet hommage

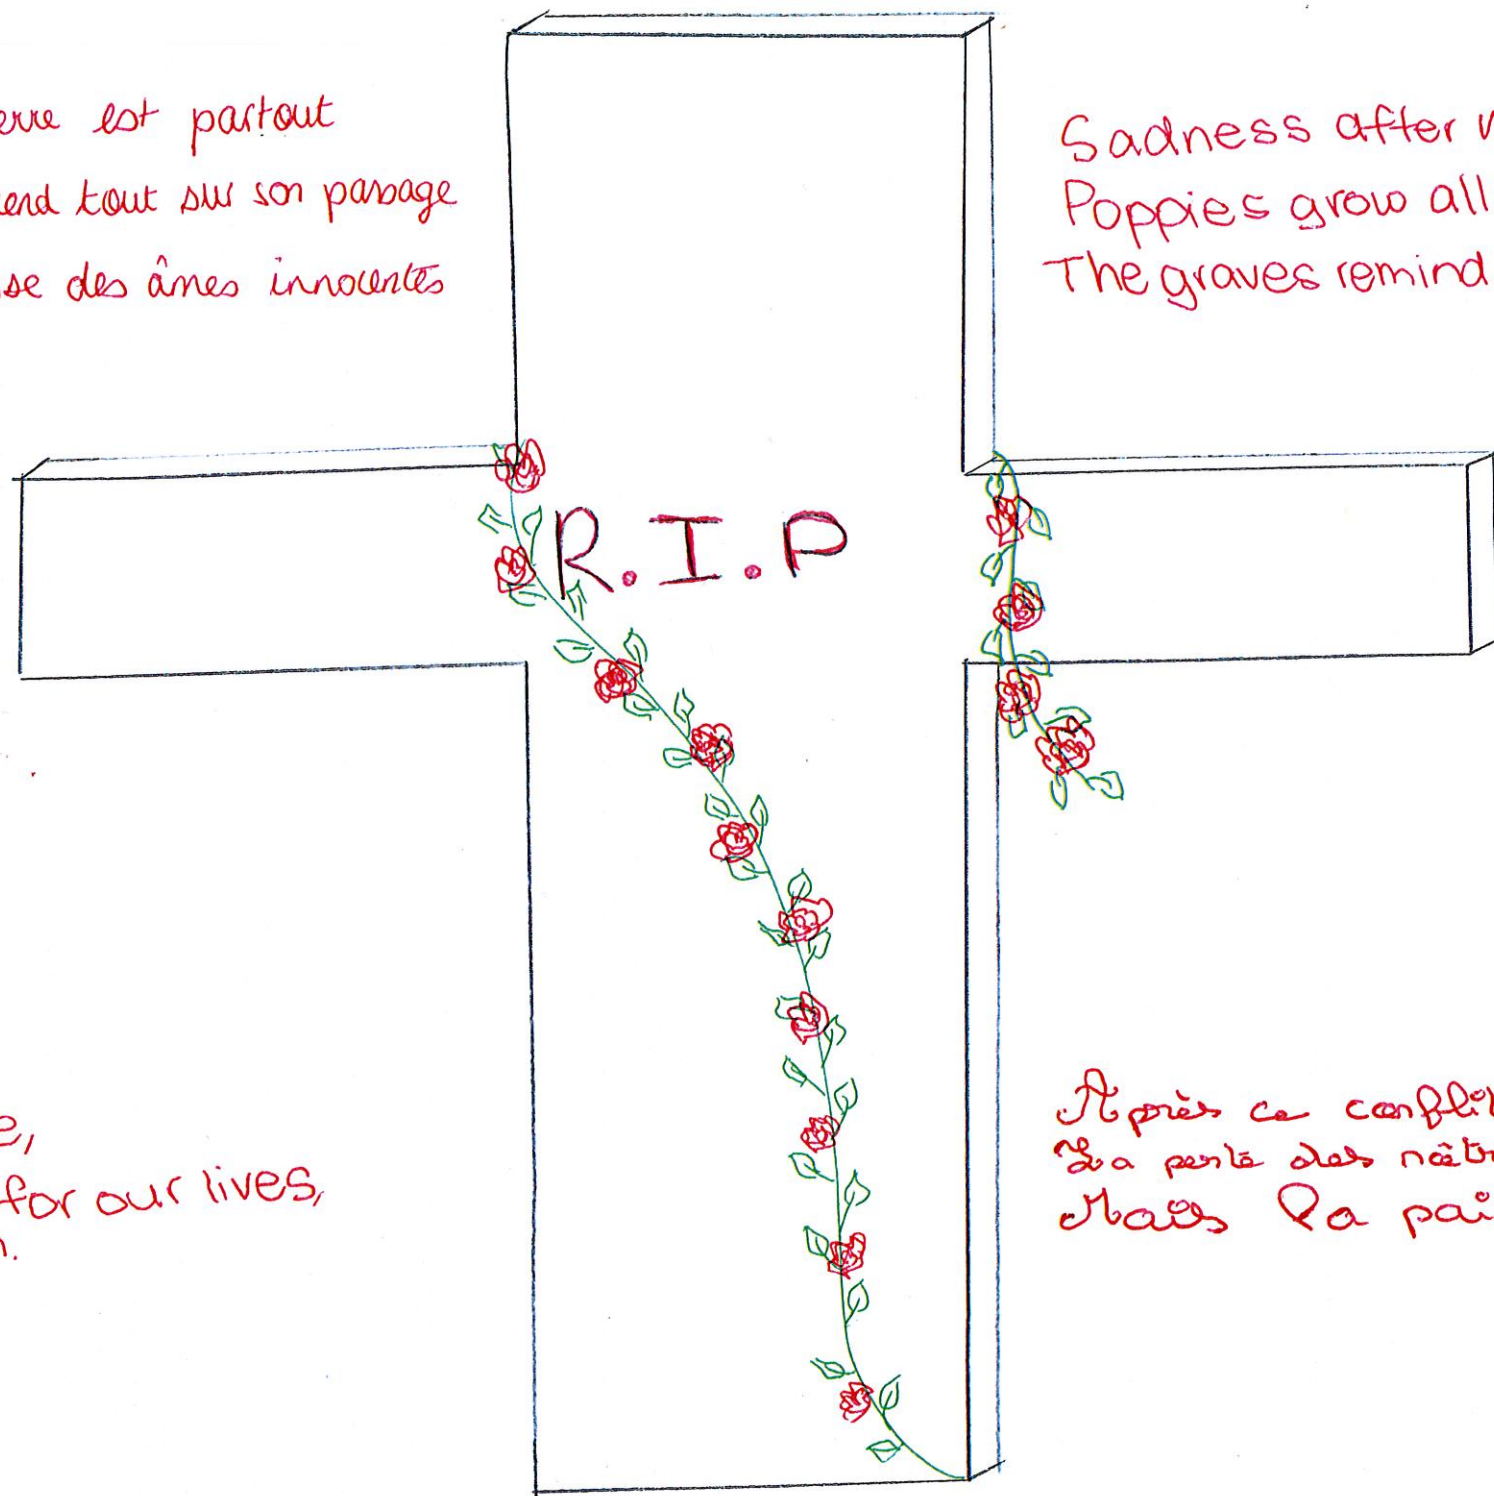

By Melisse, Hannah, Anaëlle, Laureen, Marine.

Merci pour votre bravoure.

La guerre est partout
Elle prend tout sur son passage
Et blesse des âmes innocentes

Sadness after war,
Poppies grow all around me,
The graves remind us.

War is everywhere,
Here, soldiers fight for our lives,
To bring us freedom.

Après ce conflit
La perte des nôtres touchent nos cœurs
Mais la paix est là.

Thank you for your bravery.

My life was hell

Ma vie était un cauchemar

I was in pain

C'était tellement douloureux

But they came for me

Ils m'ont guéri

And I got better

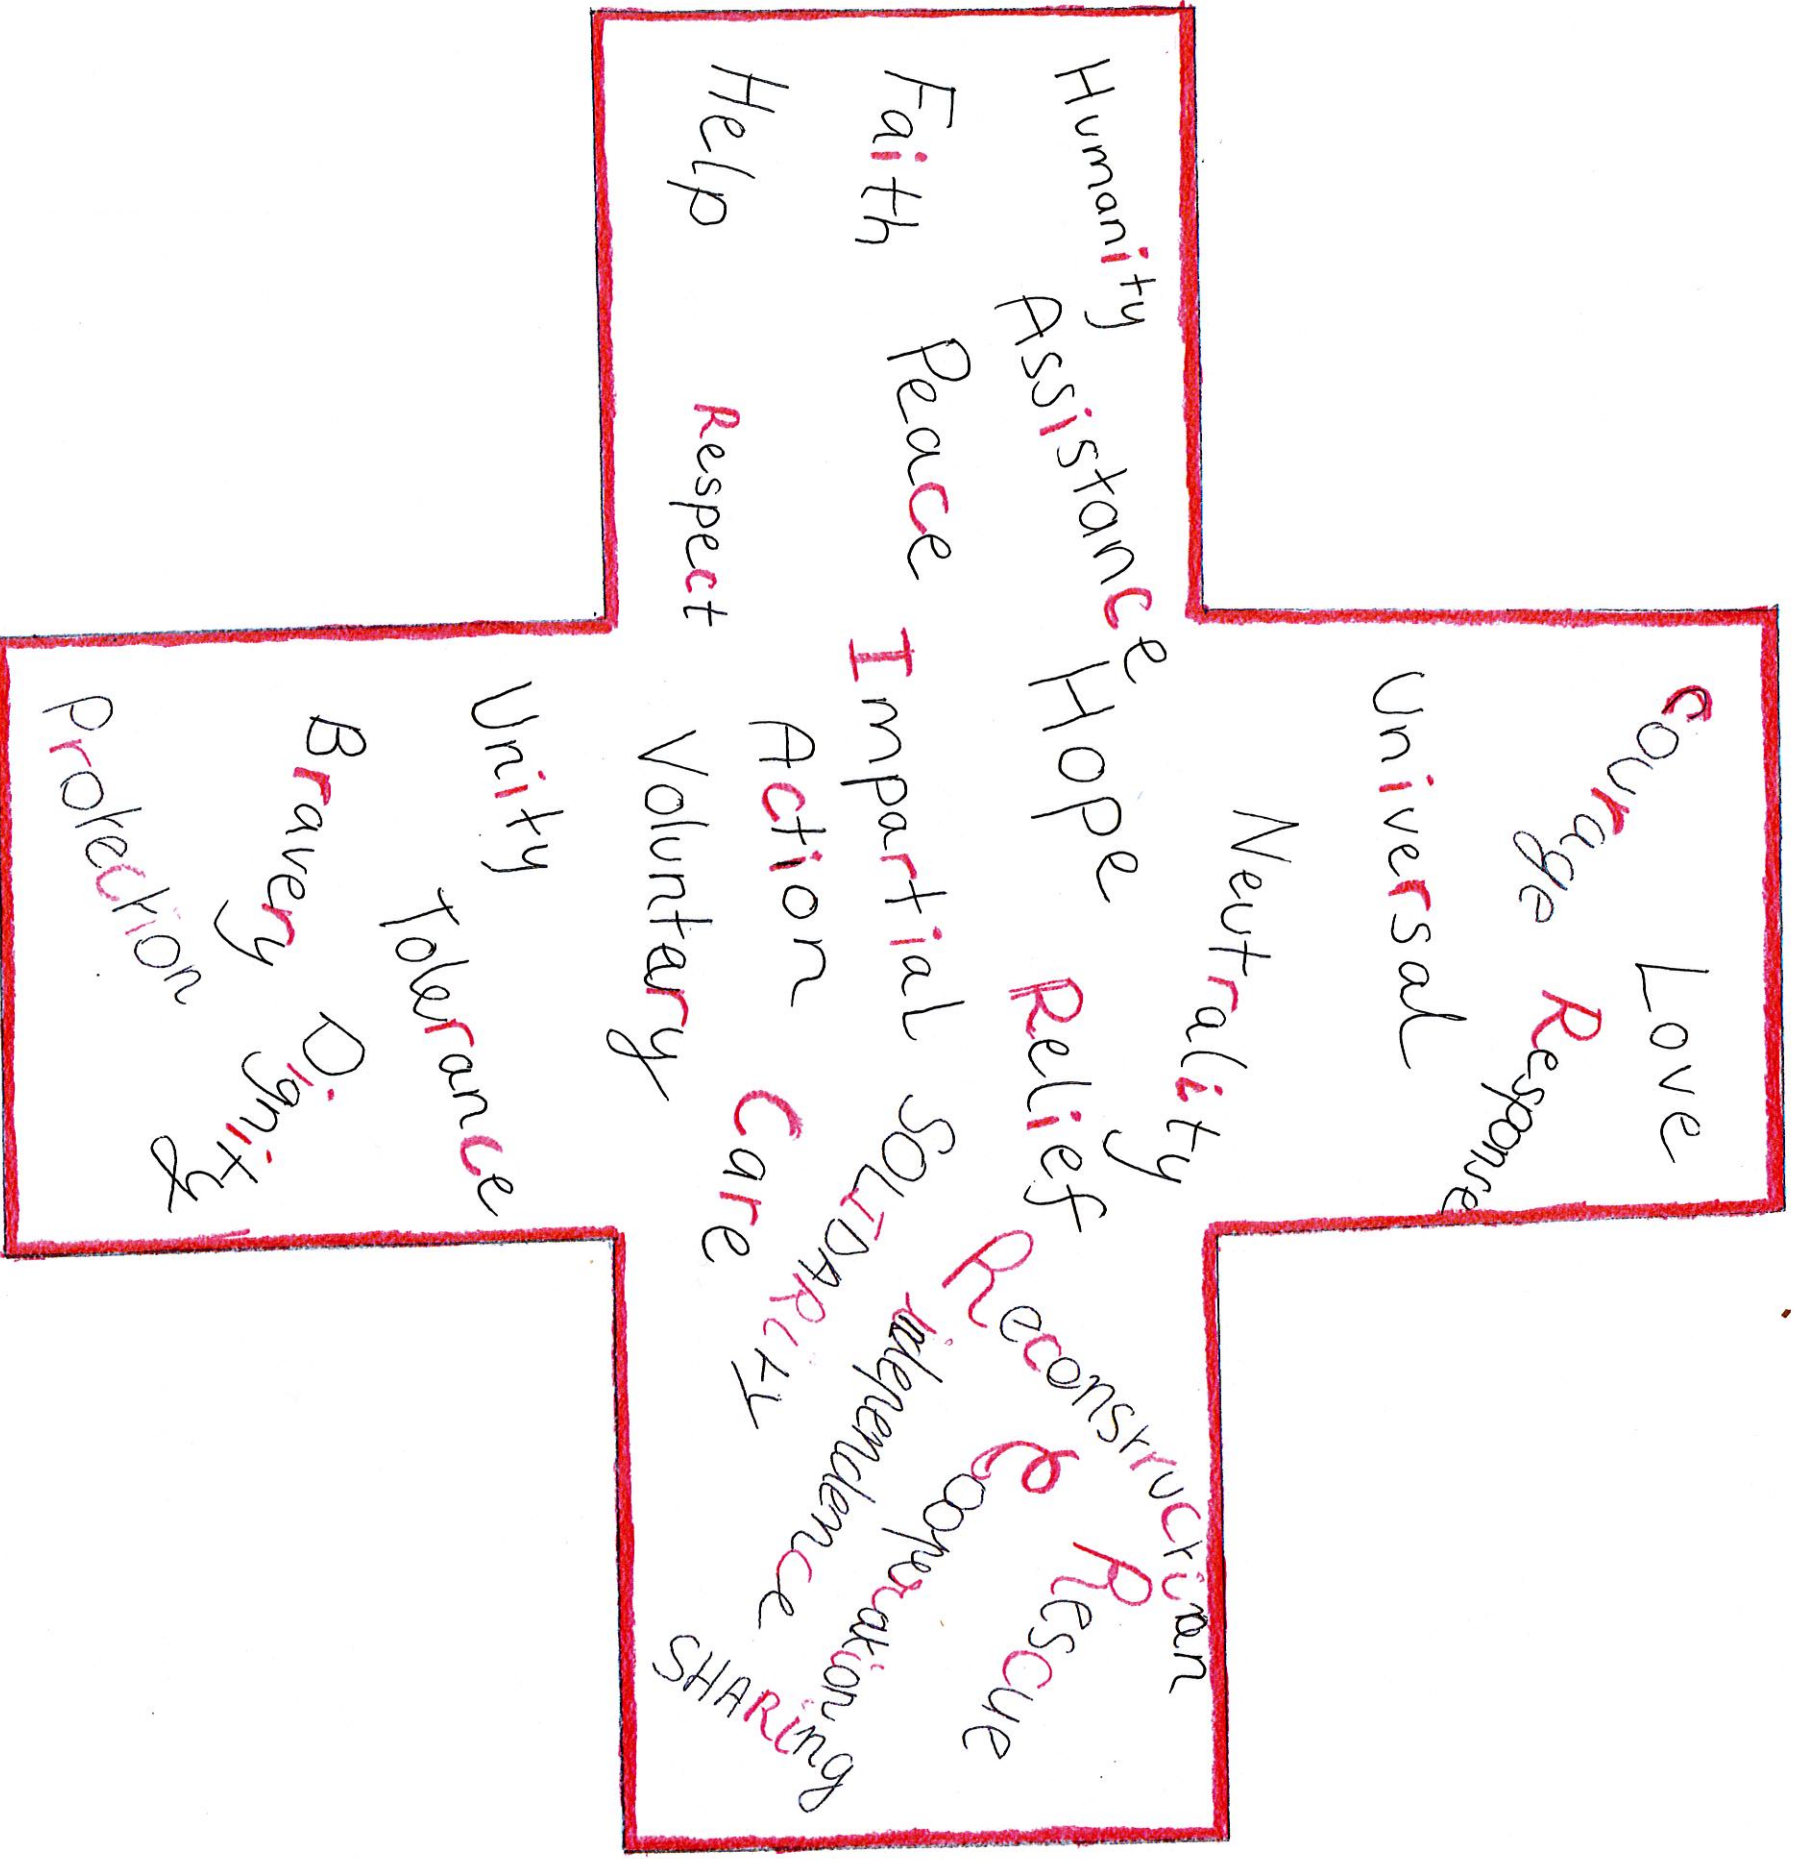

Désormais je ne souffre plus

They helped me find my family

Et maintenant je suis heureux

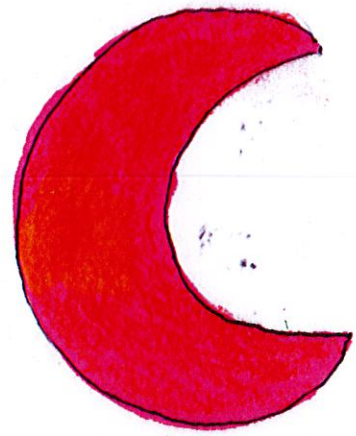

Thank you, Red Cross
