

Opinion poll

Would you be ready, today, to participate in a new world war?
(30 persons)

More of 20 people will be ready to go in a new world war against only 7 people who don't want go in war.

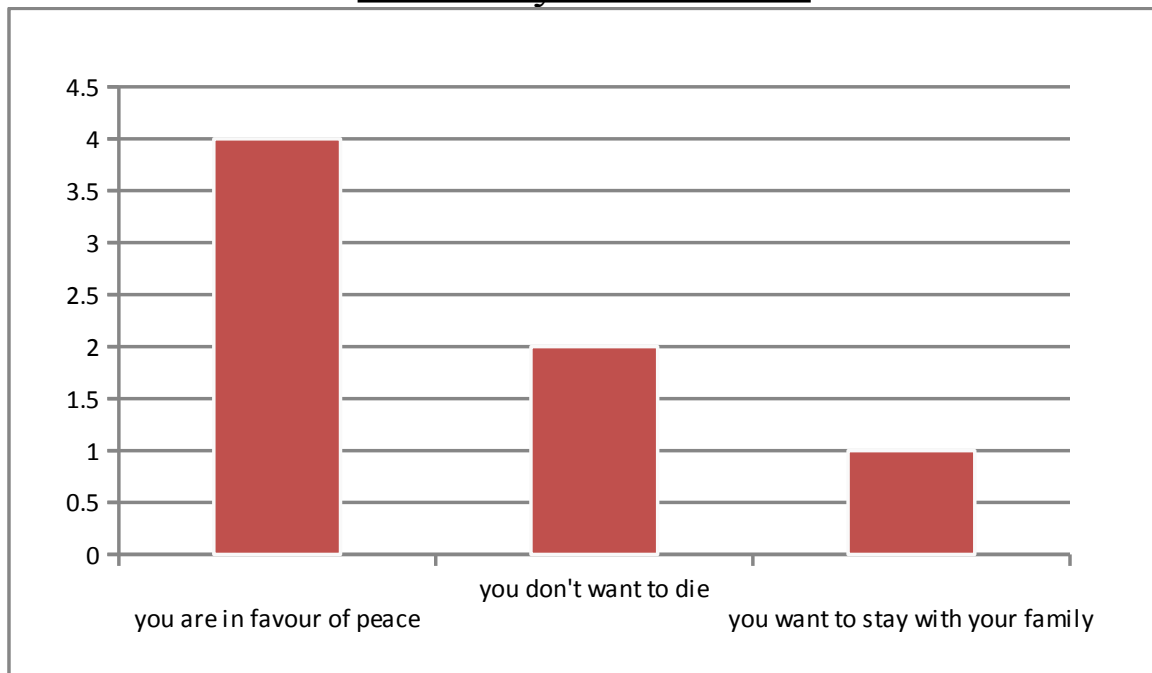

If yes, your motivations would be:

The first motivation to go in war is to protect France. In the second place , it's to help spread the french territory. And the last choice, is to do like other people.

You would be ready to fight for (causes):

The people are ready to go in the war , if it's necessary to defend our territory for 12 people , 7 people are ready to go in war for any cause and 3 people for another cause.

If not why? Because ...

7 people don't want to go in the war because they are in favour of peace for 4 people, 2 for not die and just 1 people want stay with heir family.

What service would you choose?

8 people choose the aviation , 6 the marines , 5 the land forces and 3 medecine.

Would you be ready to sacrifice yourselves?

Only 8 people will be ready to be sacrificed against 14 negative answers.

If you were not in the ages of rectrutment, you would ask to go there?

12 people will volunteer against 10 people who don't want to volunteer.
